

Friday 25th May

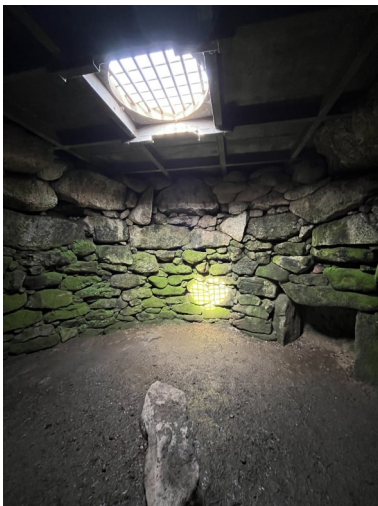

We have had a busy two weeks with visitors to the school and both classes on trips and visits to bring the learning to life and make it memorable! There is lots of information within this newsletter which we hope you will find useful.

Class 1 visited Trevaskis Farm yesterday and had a fabulous time learning about different continents and the crops that are grown locally. The children tasted the freshly grown fruit.

Class 2 completed their learning about Who were the early inhabitants of Cornwall by visiting Carn Euny.

Elijah—We went under the ground to the old fort.

Class 2 have also been to Marazion to complete a beach clean and put up their posters about looking after play equipment as part of their mini police project from the Autumn term. The beach certainly needed cleaning with over a large bag of rubbish collected by the children.

Evie—We found so much rubbish and plastic at the beach.

Rhys—The beach was much cleaner once we had tidied it.

Mazey Day Making

We will be taking part in the Mazey Day parades on **Saturday 24th June** (time to be confirmed) and working with artist Amanda Lorens to make this. Amanda is in school on Monday 12th June and Thursday 15th June. We are Celebrating Cornish birds in the parade and making a large puffin (choughs had already been taken!) and smaller birds to carry.

Parent and carers are very welcome to come and help with Mazey Day making on these days.

Bridging Arts and our half term value of Friendship

On Monday 15th May we welcomed Bridging Arts Susan and Rawda to our school. Rawda is a refugee from Syria who now lives in the UK. The children had opportunities to hear about her life mostly about the weather, food and her religion. Rawda taught the children some Arabic and also how to write their name.

We had a lovely morning.

Whole again communities

The children had a great time helping and then tasting meals with Maggie from Whole Again Communities.

Please see poster with this newsletter for the next cookalong which we will give priority to the families that attend the school first. They just need to complete an expression form on our website which is under the tab workshops/courses.

Website is Whole Again Communities

Sports Events Quad Kids

8 children from Year 5 and 6 took part in Quad kids on 17th May. They showed good team spirit against larger schools. Thank you Mr Wynter for taking the children to this!

Welcome to Channon Gray!

We have been successful in getting support from an NHS Mental Health support worker for children in schools. Please see the attached flier. Channon will in school every Wednesday morning working with the children. She is starting on Wednesday 6th June with a transition project for Year 6 and work on Resilience with class 1 plus giving support to teachers and parents.
