Harvest Festival 2023

Thank you to parents, carers and children for making our Harvest Festival a joyful occasion!

Today we have taken all the food from both Madron and St Mary's to the Penzance Foodbank. This is the children seeing generosity in action.

Whole School Curriculum visit to Lanhydrock

The children had a wonderful time at Lanhydrock on Wednesday. Here are recount of the trip by children in class 2.

On Tuesday the 10th of October 2023, Class 1 and Class 2 went to visit Lanhydrock House (A Victorian mansion) in Bodmin. We had a really big coach to collect us. When we finally got to the house, it was really big and cool. I adored it. We went to the Tea Room and I was really tempted to have some tea! KACEY Year 4

In the house, we went to the little girls room that was ginormous and it even had a little room attached for inviting friends over. The Living Room had a skinned tiger! The nursery had lots of games including a chest, a rocking horse and chess (which I played with Tyler)! My favourite part was seeing all of the different paintings and seeing what it was like to live in the Victorian Times. It was so fun. - LAYTON, YEAR SIX

Just One Tree

**Thank you for your generosity.
Across Madron and St Mary's
School we raised £110 for Just
One Tree which means 110
more trees will be planted in the
world.**
