

Friday 28th April

Welcome to the Summer Term!

We hope you all had a good break at Easter and the term has started well although the weather has not been at all summery or even spring like! Both classes have been out and about to help make their learning memorable and we have also been busy planning the dates and events for this term.

Year 6 children have their SATS tests from Tuesday 9th May – Friday 12th May. We need all children in school on these days and will be providing breakfast for the children. There will be a letter with more detail next week. Year 2 children also have the SATS in May, Year 1 children will have their phonics screening tests in June. We will be sending out letters about these closer to the time.

Thank you for your continuing support of the school.

Using the outdoors for our learning

Our Worship Value this half term

This half term we are focusing on the Christina Value of Friendship in our assemblies. We will be exploring this through bible stories and world events to think about the qualities of friendship.

Please see the handout with this newsletter and we always welcome responses from the children.

Football report

On Wednesday 26th April the whole of class 2 took part in a Football Festival at Mounts Bay.

We were very proud of the children and the boys team won 2 matches and drew 1, girls won 1 and drew 2. Overall we came 7/9 with the Boys team and 8/9 for the girls.

Coronation Celebrations

We are taking part in the Madron Church Celebrations and next week the children will have some focused learning about the coronation during assembly times.

Children Flourishing at Madron Daniel Weekly Awards

Well done to all these children!

‘Lullaby of the tides’

Once again we are taking part in the Minack Schools Production in the Summer term. All the children in class 2 have been busy learning the songs for ‘Lullaby of the tides’ with Miss Judge.

In a land suffering from a terrible drought, the village children embark on a quest to find the Rainmakers and save their country. This spectacular song-cycle was inspired by a traditional story of the Tzutujil Maya from Guatemala. It draws on ancient Inca belief systems about the power of animals and the wisdom they inspire.

Learning secrets about ‘medicine’ and ‘power’ from animals of the rainforest, Chep discovers his own ‘true colours’ as he helps the Rainmakers to overthrow the evil Kongan Hab, recover the Rain-capes and finally discover the biggest secret of all from the Rainmaker himself.

The performance for this will be on Monday 10th July with the children attending a rehearsal in the afternoon, having tea and then straight into the performance. We will be sending out a letter about this in the next few weeks. Tickets for the performance will be available from the Minack website— www.Minack.com

If your child is in receipt of free school meals and you need help with ticket payment please pop into the school office.

Dates for your diary

Monday 1st May- May Bank Holiday

Tuesday 2nd May- Class 2 Surf Day

Sunday 7th May - Coronation Service at Madron Churvh at 11 All welcome.
